

WHEN RENTING OR USING THE CLUB

The following rules and regulations are to be observed:

- During the curling season, mid-September to mid-April, it is imperative that anyone entering the club remove their shoes/boots at the front lobby and change to clean indoor shoes. This will limit the debris and salt that may be tracked into the club and onto the ice.
- Any alcoholic beverages being served or consumed must be provided by the club and consumed inside the club. No alcohol is to be taken on to the ice or outside the club.
- If you wish a bartender for your event, a bartender will be provided by the club for a fee of \$50. Please note, the **Bar does not have credit or debit machines - it is cash only for individual orders.**
- The event will be conducted in an orderly and proper manner with no unlawful activity.
- All exits shall not be obstructed.
- Any decorations placed for a rental or club activity must be removed at the conclusion of the event and must be non-damaging.
- The kitchen, appliances, dishes and cutlery must be cleaned and returned to their normal storage compartments. Renters will provide their own tea towels/dishcloths and cleaning supplies. A \$50 cleanup fee will be charged if kitchen is not cleaned.
- All garbage must be cleaned up, tied in garbage bags and removed by renter following the event. Please use the provided recycle bins for paper/cardboard and glass/cans, etc. We do not have facilities for composting, so please take it with you.
- Tables and chairs normally present in the upstairs lounge may be rearranged at the renter's discretion. If other tables and chairs are needed, arrangements must be made to arrive early for their set-up.

When Renting or Using the Club

- Club linens are to be booked in advance and left at the club after the event.
- The \$300 damage deposit will be returned once it has been determined that no damage or theft has occurred.
- The Hall (on the main level) seats 58 around 7 round tables, suitable for a sit-down meal event. The downstairs Lounge and Bar can comfortably seat about 50 people. For fire regulations, the limit is 84 upstairs and 78 downstairs.
- The club is not wheelchair accessible. There are 2 steps at the front door to get into the front lobby, then 4 stairs up to the Hall. The downstairs Lounge/Bar area is reached by a full set of stairs.
